FOR IMMEDIATE RELEASE

Chemung County Health Department Services By Appointment Only

To prevent congregation and reduce risk of COVID-19 transmission, effective 03/19/2020 and until further notice, the Chemung County Health Department is shifting to appointment- and phone-based services only. Residents in need of the following services should call to make an appointment.

Environmental Health Services: (607)737-2019

Public Health Clinic Services: (607)737-2899

Vital Records: (607)737-2018

WIC: (607)737-2039

For services that may not be listed above, or for calls after 4:30 PM, please call the main line (607)737-2028.

Additional information is available on the Chemung County Health Department website,
