Public Health Advisory

Symptoms
- Fever
- Cough
- Shortness of Breath

How it Spreads
- Close Contact with People

Symptoms may start 2-14 days later
There is no vaccine yet
Visit www.cdc.gov for travel guidance

Prevention
- Wash hands with soap and water for 20 seconds
- Avoid contact with sick people
- Don't touch your face

If You Are Sick
- Stay at home
- Avoid contact with others
- Cover your mouth and nose
- Keep objects and surfaces clean
- Wear a mask only if sick

If you have recently visited China, Iran, South Korea, Italy, Japan or Hong Kong
phone your healthcare provider for instructions.

People should not be excluded from activities based on their race or country of origin.

Avoid traveling to affected areas
Don’t travel if you have a fever and a cough
Seek medical advice if you become ill
