### **Spring Emergency Preparedness**

**POST:** A flood can impact your drinking water, food and more. Bookmark this handy reference, in case spring flooding damages your home: <http://www.health.ny.gov/publications/2708.pdf>

**TWEET:** A flood can impact your drinking water, food and more. Bookmark this handy reference, in case spring flooding damages your home: <http://www.health.ny.gov/publications/2708.pdf>

**POST:** Live in an area prone to flooding? You'll want to know what to do before, during and after. <http://www.health.ny.gov/publications/2708.pdf>

**TWEET:** Live in an area prone to flooding? You'll want to know what to do before, during and after. <http://www.health.ny.gov/publications/2708.pdf>

**POST:** Turn around, don't drown: Water on a flooded road may not look deep, but the road underneath could be washed away, hazards could be floating around, and water may be moving more quickly than it looks. Never drive through flooded roads.
